Dear Sir,

Please study this comment careful before sign contract.

Hereby I send you Signed contract GPI MT103 With Code , Draft PGL , Sample of SWIFT MT103GPI With Code, please consider it by your banker and only if your Bank officer approved your project and accepted this procedure full , then start this deal. If you have not bank approval, please do not sign contract.

This is Non-KYC Transaction and there is not Bank to Bank communication in any stage of deal,

Transfers fund via Global SWIFT System to your bank GPI System, Not via SWIFT.COM this is not direct transfer fund. After transfer fund your bank officer has to open GPI Bank System, insert all required code and locate fund, then release fund to your account and distribute it according IMPDA/PGL.

Nature of our fund is M1.

Receiver's Bank officer has to be expert with Level +14 and more.

According procedure we only transfer fund after receive Conditional Bank Endorse PGL by our paymaster bank officer email and CC to us . if your Receiver's Bank officer do not put our email on CC we never ask our paymaster bank officer about receiving PGL.

Total Contract Amount: depend on Receiver capacity but we prefer start with an small agreement and mentioned Five Billion Euro total amount of contract, you can decrease it to any amount and after perform this contract then sign contract with huge amount.

First Tranche: 10M -49M Euro (optional to choose by Receiver)

**RATIO: (PLEASE NEVER CHANGE IT)** 

Sender: 35%
Sender side: 5%
Receiver side: 5%
Receiver: 55%

We ask intermediaries never decrease Receiver's share.

If intermediaries do not agree with this term and condition please let drop deal before start it .

Kindly be noted we are in end of year and have to work hurry.

Best Regards Sender's Team 05.04.2022
